THE IVY NETWORK CORPORATION
WHERE FUTURE AMERICA LISTENS AND LEARNS TO BUY
242-A YALE STATION · NEW HAVEN, CONN. · 787-0711

JOHN S. SEAKWOOD
CHAIRMAN OF THE BOARD

Bob,

Enclosed is a copy of the letter Ed Ohlbaum sent to me and my reply. I certainly hope we can prevent him from going ahead with his plans, as it might force some sort of confrontation between WRSU and the Network in general.

Random notes:

I plan to stop by to visit Campus Media in an attempt to learn a little more about what they are doing for us down there.

I'm going to get in touch with the station manager of WKCR to discourage him from joining WRSU in an independent news network.

George continues to think of more amazing ideas...

I was thinking about how poorly the Expansion Committee has reported to the Board of Directors about stations that are under consideration for membership, and I would appreciate any information you may have about what they have done or what they plan to do before the Fall meeting at which it is slated that we vote on St. Lawrence and the University of R.I. Who is on that committee (aside from those I know from Williams)? Who is in charge of it, etc? I just want to make sure we don't vote in October without all the information available.

Expenses for July 1969:

various trips to NYC.....	$10.50
toll calls in nyc area.....	6.00
total.....	16.50

If you hear anything about AT&T etc, let me know. Thanks

John
